- Dress Rehearsal begins promptly at 10:00am at Porta High School.
- Please arrive at least 5-10 minutes before your student's designated time.
- If you are a parent chaperone we will discuss and clarify all chaperone duties 10 minutes before the dress rehearsal begins. If you are unable to be there please let me know.
- Once your child's last class has rehearsed they are free to go home until their recital call time at 1:30pm.
- ONE parent/guardian is allowed to accompany each child to the dress rehearsal. If your child is in the junior hip-hop class or the beginning technique class they do not need to have a parent present during the rehearsal unless they would like one.
- COSTUMES ARE NOT TO BE WORN DURING THE REHEARSAL. Rehearsal/dance clothing is needed. This way we won't lose any pieces or cause any damage to our costumes prior to the performance :)
- There will be designated seats in the audience for each class/student for the dress rehearsal and the recital.
